COMMENCEMENT HYMN

THE GENESEE

Tho' many fair and famous streams
Beneath the sun there be,
Yet more to us than any seems
Our own dear Genesee.
We love her banks and stately falls,
For to our minds they bring
Our dear old Alma Mater's halls,
Where sweetest memories cling.
As flows the river, gathering force,
Along her steadfast way,
May we along life's devious course
Grow stronger day by day.
And may our hearts where'er we roam
Forever loyal be
To our beloved college home
Beside the Genesee.

—Words by T. T. SWINBURNE, '92
Music by HERVE D. WILKINS, '68
