HUSBAND'S NOTES:

Abraham De La Noy was descended from Gillebert De Lannoy, the crusader, (1386-1462), of Belgium. His line went to Holland from whence our Abraham DeLaNoy came. He was married in Haarlem, Holland to Maria Lubberts on 29 Jun 1642. She was born there 22 Aug 1622, the daughter of Arents and Marritie (Macque) Lubberts. In 1651, Abraham and Maria came to New Amsterdam from Holland with two small sons.

He was in charge of a consignment of merchandise to transport to the new world, and continued in the trade business until his death.

His brother Peter followed him to New York City and became a leader and mayor of that Dutch community.

Abraham also served as a burger master and for 330 Beavers purchased a house on Browers Street, not far from Fort Amsterdam. Just ten years after arriving, he died in New York.

On 18 Mar 1663 Maria married an old friend and neighbor, Mr. Frederick Gysbertszen Vanden Berg. Abraham Jr. became the village schoolmaster, and was well known for his paintings of early Dutch families in New York.

HUSBAND'S NOTES:

Notes:

Pieter Groenendyck was born in 1645 in Holland and came from Serven Haagken to the New World in 1670, where on November 1, he was commissioned an officer of the Colonies under the Duke of York. Peter took up residence with 40 other colonists at a place on the west side of Delaware Bay called the Whore Kill.

Here he was licensed to trade with the Indians and in Dec. 1672 was granted a license to trade for skins

and furs in Maryland also. He owned a sloop in which he sailed back and forth to New Amsterdam (NYC). Peter carried messages to and from officials, cargoes of goods for his neighbors to be traded and sold in New York City for supplies and he also transported passengers.

Countless court records concerning his trading have been found. On 29 Mar 1673 a warrant was issued, stating 'To fetch back Peter Groenendyke-alias Smith, very lately departed NYC where he stands accused of several misdemeanors. If found he is to be delivered into the custody of the sheriff.

On 18 April 1673 the trial of Peter was recorded for the seduction of two young girls, Annetie Blanck and Maria DeLanoy. Both girls were with child by him and each having sued to become married to him.

The Court ruled that because he falsified his faith to both with the promises of marriage, that he was unfit to marry either one of them and was instead ordered to pay each one, 150 beaver skins, and a court fine. For an unknown reason Peter had become convinced to marry one girl anyway so on 16 May 1673 he was married to Miss Maria DeLanoy. She was born 15 July 1652 in New York, daughter of Abraham and Maria (Lubberts) DeLanoy.

Although Peter owned 5 houses in NYC, he still seemed to travel a great deal as his records soon after that date are found in various locations along the eastern seaboard.

Their first child was baptized in NYC Dutch Reformed Church, on the same day (9 July 1673) and place as the baptism of his illegitimate son, and both sons were named Cornelius.

On 13 Nov 1679 Peter was granted 413 acres in Delaware that he named 'New Seaven Haven'. On 21 Dec 1680 he bought a large and important tract of land called 'Gooseberry' on 4 Feb 1681 he bought six hundred acre plantation called 'Jenneway'.

Then on 21 Feb 1681 was granted one thousand acres, all located in Kent County Delaware. He probably had tenants farming most of these lands, but his records indicate that his primary crop was tobacco.

His Jenneway Plantation consisted mainly of fruit orchards. Though all of his children were baptized in New York City, the last son was born in Delaware and taken to NYC for his baptism.

Since Peter was a trader all of his life and had many residences in both colonies, it is most probable that his wife mainly stayed in NYC where there was a larger population.

Peter's son Johannes was also a man of adventure, he was among the first to travel in the wilderness of Northern New York trying to establish peace with the Indians. He was a merchant and trader in Schenectady, NY, and once sheriff of Albany, NY.

Maria was still alive in 1699, her death date unknown. Peter died in 1702, age 57 in Kent Co., Delaware.

His remains, accompanied by Mr. and Mrs. Wm. L. Butler, Mr. and Mrs. W. H. Darr, of Monmouth; Simon Powelson, of Canton, and John A. Johnson of Rocky Ford CO were brought to Raritan Monday afternoon and interred in the local cemetery.

From 1863 to 1886 Mr. Groendyke was a familiar figure in this community and identified with the business interests of the village. He was a shoemaker and worked at the trade during his early residence here. He was also engaged in the hotel business several years, during which time he conducted a popular hostelry in the house now occupied by Mrs. Julia Gullick.

John Groendyke was born in Somerset county, NJ, June 25, 1826. He came with his parents to Fairview, Fulton county, IL, when six years of age, where his early life was spent. Oct 14, 1849 he was united in marriage to Miss LaMatta Powelson at Fairview. To this union five daughters were born, namely: Mary L. who died at Wallace, KS, in 1865;

Mrs. A. V. Hixson, who died at Ogallah Kansas, four years ago; Mrs. John A. Johnson of Rocky Ford, CO; Mrs. Perry Robords of Mound Valley, KS, and Mrs. Wm. L. Butler of Monmouth, IL.

The family moved to Raritan in 1863. Here it was that the wife and mother died in 1885. Since that time Mr. Groendyke has lived alternately with his daughters. He was devoted to his family and they to him.

In 1851 he professed Christianity and united with the Dutch Reformed church at Fairview, IL, and from that time on was a follower of the Maker.

OBITUARY:

When a young woman crossing the prairie near Fairview she encountered a large rattlesnake. Not having any convenient weapon for defense she improvised her corset board and slew the venomous reptile. She was kind hearted and loved by all who knew her.

OBITUARY:

Abram V. Hixson was born in Somerset County, NJ, March 2, 1848; died at WaKeeney, KS, December 21, 1912, aged 64 years, 9 months and 19 days.

Mr. Hixson moved with his parents to IL in 1856, where he married Henrietta Groendyke at Raritan, October 19, 1870. A.V. and his family came to Kansas in the spring of 1886 and homesteaded a farm northeast of Ogallah. A.V. filed his homestead in 1888 on the SE corner of SE 8-12-21. According to an early picture, there was a sod house at this location.

Mr. and Mrs. Hixson had one son and three daughters; J. G. Hixson of WaKeeney, Mrs. W. J. Howe of Delta, CO; Mrs. F. A. Howe of Cedar Edge, CO; and Mrs. M. H. Powers of Ogallah, all of whom were present at the funeral which occurred at Ogallah, conducted by Rev. S. L. Allison and attended by a large number of friends.

Mr. Hixson and his family were among the pioneers of this county, having located on a farm near Ogallah in the spring of 1886, where he continued to reside until the death of Mrs. Hixson which occurred in January, 1908. After the death of his wife he purchased property in WaKeeney and has made his home here since, more or less of the time engaged in mercantile pursuits. He was a successful farmer and stockman and at all times an exemplary citizen, enterprising and public-spirited. He united with the Dutch Reformed Church at the age of fifteen years and was a member of the Presbyterian church of WaKeeney at the time of his death.

His family has the sincere sympathy of a wide circle of friends who deeply regret what appears to be the untimely taking of one of our most respected citizens.

OBITUARY:

Henrietta Groendyke was born near Fairview, IL, in 1850 and with her parents, Mr. and Mrs. John Groendyke, came to Raritan, IL, a few years later, where she was united in marriage October 19, 1870. To this union were born namely one son, J. G. Hixson, of Ogallah, three daughters, Mrs. Will Howe, of WaKeeney, Mrs. Frank Howe of Ogallah, and Miss Grace who is still at home and an aged father in Rocky Ford, CO, three sisters, two in Rocky Ford and in Monmouth, IL. They were all with her during her last illness except the father who was too feeble to make the journey.

At the age of sixteen years the deceased united with the Raritan Reformed church, with which denomination she held membership until the family moved to Kansas in 1886, when she took her letter and united with the Presbyterian Church at WaKeeney, KS.

Mrs. Hixson was a lovely Christian character and was much beloved by all who knew her. She was a loving wife and mother and a kind neighbor and she will be much missed by the community.

Rev. Scott of WaKeeney conducted the funeral services.

NOTES:

John and Ella started their married life on a farm northeast of Ogallah that was located 2 miles west of A.V. Hixson. On March 14, 1908, John purchased 80 acres northeast of WaKeeney and moved to WaKeeney on April 12, 1909. Their home for 22 years was the stone house built by Albert Warren which was built sometime in 1878. Mr. Warren was one of the founders of WaKeeney. The stone for this house was obtained from a quarry north of town. The original home was a two story L shaped home with a porch on the south side and half of the west side. The home was nicely landscaped with a curved drive in front of the home. A sidewalk with cedar trees on both sides, led to the front door from the middle of the curved drive. A gazebo was located just east of the home. The outhouse was to the north. The stone house was built before the days of electricity and running water. Electricity was probably added when it came to WaKeeney in 1910. The windmill to the west of the house provided water. Heat was all with wood stoves. At one time it was a two-story house but a chimney fire in 1925 burned the top floor. All of the furniture and belongings to the lower part of the house were saved. This fire occurred while Eva and Luretta were in College of Emporia. Grace Robords roomed with John and Ella when she came to WaKeeney from Mound Valley, KS to teach at the WaKeeney grade school in 1917. In November of

1931, William L. Butler and his wife Sarah H. Butler (who had lost everything in the 1929 stock market crash, moved to the stone house of her nephew. John and Ella did everything for them through his last illness. William died March 15, 1932 and Sarah passed away at Larned on December 16, 1932. In 1930 John and Ella built a new home in the same yard in front of the stone house. It was said that Ella was a very prissy woman. She wanted everything meat and in its place. She wanted her house kept clean. This seems to have been a conflict as John was always out working with cattle and often came in with manure and mud on his clothes and boots. Larry remembers in their house John never wore his boots. He always kept leather house slippers at the back door and wore them all the time in the house.

OBITUARY:

John Groendyke Hixson was born August 27, 1871 at Raritan, IL, and died at the Trego-Lemke Hospital in WaKeeney, KS, July 2, 1953. He was the son of Abraham V. Hixson and resided in IL with his parents until they became homesteaders in 1886 coming to live on a farm northeast of Ogallah, KS.

On December 12, 1899, he was united in marriage with Miss Ella Marquand, also a member of a pioneer Kansas family. To them four children were born: Brom D. Hixson who resides in WaKeeney, KS and has been associated with his father in his farming operations from the past twenty-five years; Loretta M. Larue, who lives in Hays, KS and Eva B. Richardson, now living in Lansing, MI. One son died in infancy. Mr. Hixson was privileged to see his family extended to ten grandchildren and four great grandchildren, all living. One sister, Mrs. Myrt Howe resides at Medford, OR.

The family home was moved to the site of the present residence in the spring of 1909 and there for these many years Mr. Hixson has engaged in the business of dealing in live-stock and farming. There, too, his friendly advice and counsel have been sought by many of his fellow citizens interested in the same problems and always freely given.

He became a member of the WaKeeney Presbyterian Church on March 6, 1904, and has been an integral part of that organization ever since, serving on the board of Trustees continuously from 1911 through 1944 always ready to do his part and carry his share of the load. Each Sunday found both him and Mrs. Hixson in their place for Sunday School and worship service.

Mr. Hixson served his community in many ways. He was for twenty years a member of the board for School District # 1, and was one of the original board of the Trego county Fair. He was deeply interested in the building and the success of the Trego-Memorial Hospital and could always be counted on to lend his hand to any enterprise that contributed to the betterment of this community where he spent so many years of his life.

With the passing of John Hixson, another one of the fast diminishing generation is gone from us, who with the courage and pioneering spirit of a day now gone by, came to these prairies and has carved out of them homes and a lasting prosperity which was only a dream when they arrived on the scene.

OBITUARY:

Ella Elizabeth Marquand, daughter of John P. and Lucinda Huff Marquand, was born Feb. 17, 1871 in Newman, IL, and died at the Trego-Lemke Memorial Hospital in Wa-Keeney, February 2, 1963, at the age of 91 years, 11 months and 15 days.

She came to Ogallah, KS with her parents in 1878, from IL, who settled on a homestead in the early days. On December 12, 1899 she was united in marriage to John G. Hixson, who preceded her in death in 1953. To them four children were born: Brom D. Hixson of WaKeeney, Mrs. Loretta LaRue of Hays, Mrs. Eva Richardson of East Lansing, MI; who survive and mourn her departure. One son died in infancy. She came from a family of seven children, all preceding her in death except one sister, Laura Davidson, of Tulsa, OK, who is 94 years of age.

The Hixsons moved from their farm home near Ogallah in WaKeeney in 1909. Mrs. Hixson united with the Presbyterian Church April 3, 1910. Both Mr. and Mrs. Hixson were active members of their church and community, always interested in its program and growth, as long as health permitted.

In addition to her children and one sister she leaves ten grandchildren and twenty great grandchildren, many nieces, nephew and friends.

Memorial services were in the Hendricks Chapel Tuesday afternoon, February 5, with the Rev. Lawrence W. Thomas officiating. Interment was in the family lot at the Ogallah Cemetery.

Pall bearers were: Paul Larue, John Sandelin, Larry Sarver, Bernard Larson, Bill Simpson, and Larry Hixson.

On December 12, 1899 their son John Hixson married Ella Marquand. Ella's family had homesteaded in the Ogallah area in 1878. It is noted that the Marquand family built the first home with a wood shingled roof in Ogallah. John and Ella started their married life on a farm northeast of Ogallah that was located 2 miles west of A.V. Hixson. On March 14, 1908, John Hixson purchased 80 acres land northeast of WaKeeney and moved to WaKeeney on April 12, 1909. Their home for 22 years was the Stone house built by Albert Warren.

The stone house was built sometime in 1878 by Mr. Albert Warren, one of the founders of the town of WaKeeney. Source Eva Rumble via historical society and Gale Garrett. March 19, 2002. From "Pioneer Reminiscences" written by Mildred Cass Beason, whose father was C.W.F. Street. Mr. Warren and his wife lived at our family's hotel until he built a nice stone house out on his homestead (the home of John Hixson). They obtained the stone from a quarry north of town.

The original home was a two story L shaped home with a porch on the south side and half of the west side. The home was nicely landscaped with a curved drive in front of the home running from the intersection of 13th St. and Junction Ave. to the intersection of 12th St. and Junction Ave. A sidewalk with cedar trees on both sides, led to the front door from the middle of the curved drive. A gazebo was located just east of the home. The privy (outhouse) was to the north. The stone house was built before the days of electricity and running water. Electricity was probably added when it came to WaKeeney in 1910. The windmill to the west of the house provided water. Heat was all with wood stoves. I think the garden was to the north. After the new house was built to the south, water was probably just brought to the kitchen.

The First Methodist church was the scene of a lovely wedding at 3 o'clock Sunday afternoon, July 12, when Miss Audrey Nulton, daughter of Mr. and Mrs. Charles Nulton, became the bride of Mr. Paul LaRue, son of Mr. and Mrs. E. M. LaRue. The double ring ceremony was performed by the Rev. George Taylor before an altar decorated with baskets of red roses and white gladioli. The organist, Miss Jen Ellen Neff, played the traditional wedding marches and accompanied Miss Gwendolyn Wynne who sang "Always" and "Because". The tapers were lighted by Shirley and Sharon LaRue, twin sisters of the groom. Their gowns were of pink and blue net over rayon taffeta and they wore wrist corsages of white carnations.

The bride, who was given in marriage by her father, wore a gown of nylon tulle over satin with a yoke trimmed with lilies of the valley and long sleeves tapering to points over her wrists. The scalloped-edged fingertip length veil fell from a small cap with seed pearls. Her bouquet of red roses was surrounded with sweetheart roses tied into satin streamers. She

Mr. Jack Harris acted as best man and Dr. Dwight LaRue, brother of the groom, and Mr. Casper Middlekauff were ushers.

Mrs. Nulton chose for her daughter's wedding, a dress of aqua and gray bengung with black accessories and a pink carnation corsage.

Mrs. LaRue, mother of the groom, wore a blue nylon dress with white accessories and a corsage of white carnations.

Following the ceremony, a reception was held in Fellowship Hall for about 150 guests. The wedding table held a three-tiered wedding cake topped with a miniature bride and groom. Misses Marie Elder and Patricia Welling were in charge of the guest book and the gift table.

Following a trip to Colorado

the couple will be at home at 2001 Main Street in Hays.

WIFE'S NOTES:

Charlene Anne Bacigalupi was born in Antioch, Contra Costa, CA, June 26, 1944, was baptized September 1944, took first communion May 1952 and was confirmed in 1959.

Charlene attended St. Catherine's Convent, Benicia, CA one year, Antioch Junior High where she was in the Girls' Glee Club in 7th and 8th grades and in the choir in 9th grade. She attended Antioch High School where she was in FHA, GAA/Emblem A, and Music Masters (a select choir of 20 students). She graduated in 1962 and attended California State University at Chico from 1963 to 1967 when she graduated with a BA in Home Economics, Minor in Art. While in college she belonged to the Home Economics Club.

The summer of 1966 she traveled with Cotwell Brothers' Sing Out Group; performing in places like Ames, IA, Cleveland, and Martha's Vineyard.

From September 1967 to April 1968 she taught in a small (200 students) 4-year high school in Altaville, CA. She taught 3 periods of girls' PE, one period of Biology, one period study hall, and was the girls' Counselor. Her teaching career was interrupted when she was in a serious traffic accident that hospitalized her for many months. She lost her teaching job since she was unable to return to work so she decided to go back to college (Cal. Poly) in San Luis Obispo to obtain her teaching certificate. She met Chuck Kastigar there and they were married in 1970. Their son Greg was born in 1972 in Camarillo and Charlene had another year of teaching (severely retarded adults).

In 1974 Chuck and Charlene moved to Palo Alto where Chuck went to work for his dad in his public accountants office. He worked there for 12 1/2 years and became a partner in 1984 after he got his master's in taxation.

In 1986, Chuck went to work for West Valley Construction company as controller after deciding that the horribly long hours as tax accountant were not worth it.

Charlene went back to college in 1983 and took one class (Introduction to computer science). In August 1986, she received her AA degree in Computer Science, graduating Cum Laude. That same year she started working at Hewlett-Packard in a technical writing group. A year later she was hired by HP as a technical writer for computer languages. Since February 1995 she has been managing 4 to 6 contractors (not HP employees) who put on and manage the data for an internal website for HP computer sales representatives.

HUSBAND'S NOTES:

Bernard Martin joined the Central faculty in 1959 as an instructor of mathematics after having received his master of education degree from Central. In 1960 he was appointed assistant professor. In 1963 he received his M.S. degree in general science and math and science education, and in 1966 his Ph.D. in mathematics, statistics, and math education, both from Oregon State University.

His career has been remarkably varied; he holds five degrees from colleges and universities; he taught high school mathematics for four years, two of them serving as department chair. He was instrumental in developing Central's computer science program and in 1969 was appointed professor of mathematics and computer sciences. He served as chair of the computer science department.

Over the course of six years he served as assistant dean, associate dean, acting dean, and dean of arts and sciences. He also served for eight years as dean of the school of natural sciences and mathematics. In 1980 he returned to full-time teaching with a joint assignment in mathematics and computer science.

Dr. Martin finishes his long and varied career at Central with a great sense of dedication to an excitement about the thing that he was most concerned about at the very beginning: teaching, both mathematics and, later, computer sciences. The following is from a letter written to the Mathematics Department chair by one of Dr. Martin's students:

"As a secondary educator, I was extremely impressed with Dr. Martin as an educator. His patience to cover material two and three times in class is unusual for a college professor. His humor made going to class enjoyable."

Dean Don Cummings, in his statement to the CWU board of Trustees, recommended that upon his retirement Dr. Bernie Martin be designated Distinguished Administrator and Emeritus Professor of Mathematics and Computer Sciences.

OBITUARY:

Miles Henry Powers, son of Sanford and Mary Sheppard Powers, was born October 3, 1884 in York county, NE, and died September 10, 1963 at Quinter, KS at the age of 78 years, 11 months and 7 days. With his parents he moved to Trego County, KS in the spring of 1893; in the fall of the same year they moved to Lucas County, IA, returning to Trego county in 1899. As a boy he was baptized in the Christian Church.

On February 9, 1908, he married Grace Hixson at Ogallah, KS, who died in 1917. Three children were born to them: Rachel, who died in infancy, Sanford and Robert.

On March 30, 1919, he was united in marriage to Rosa Gehm at Nebraska City, NE. They had six children: Rosemary, Edward, Ruth, John, Annabelle and Franklin.

IN 1922 they moved to Gove County where they settled and farmed 2 miles west of Gove.

On June 1, 1941, he joined the Methodist Church of Gove and served for many years as Sunday School Superintendent and teacher of an adult class. For several years he was a member of the School board of the Gove Grade School.

He was preceded in death by his parents, two daughters, Rachel and Annabelle; and one sister, Gertrude Powers. He is survived by his wife, Rosa; seven children: Sanford and Robert of Gove, Rosemary Lemaster of Garden City, Edward of Costa Mesa, CA, Ruth Romesburg of Garden City, John of Gove, and Franklin of Burlington, KS; 24 grand children; 9 great grand children; one brother, Leslie Powers of Ogallah; and many nieces and nephews.

OBITUARY:

The sudden death of Mrs. Miles H. Powers brought sadness to her many friends in this county as it was circulated that she had died suddenly last Saturday morning. For several weeks she had not been well and had been under the care of a trained nurse, but slowly recovered her health and promised to gradually improve. Early Saturday morning she asked her nurse for some water and that some be applied to her face. However, before this could be done and before Mr. Powers could be called and reach her side she had passed away, the cause of her death being assigned to heart trouble from which she had been afflicted for some time.

The maiden name of the deceased was Grace Hixson and she was born at Raritan, Henderson, Co., IL, February 10, 1883, being a daughter of Mr. and Mrs. A. V. Hixson deceased, early settlers of this county. She came to Trego County with the family in 1886 and on February 19, 1908, was united in marriage with Miles H. Powers at Ogallah, KS.

Two sons and one daughter were born to them but the little girl died in infancy. The funeral services were conducted from the Methodist church at Ogallah Monday afternoon by the Rev. Allison, pastor of the Presbyterian church of this city. The body was buried in the Ogallah cemetery.

Mrs. Powers was a young woman of excellent character and was a faithful member of the Christian church. She is survived by her husband and two little sons, her brother, J. G. Hixson, and her sister, Mrs. W. J. Howe, of this vicinity and her sister, Mrs. F. A. Howe of Cedar Edge, CO.

OBITUARY:

William Sanford Powers (he signs his name W.S.) was born on a farm north of Ogallah, Kansas, on October 4, 1911; his mother died in 1917 and his father, Miles, married Rosa Gehm in 1919 who became his step-mother. He had one full brother and three half brothers and two half sisters. His family lived in the Ogallah community until 1922 when they moved to a farm two miles west of Gove, Kansas. Sanford attended a one-room school north of Ogallah and later the grade school in Gove and Gove Rural High School. He attended Kansas State College of Agriculture and Applied Sciences for three semesters, but returned to the farm in 1931. He married Gladys Fern Williams Powers on November 23, 1932. They lived on a rented farm west of Gove and in 1938 purchased a 160 acre farm one mile west of Gove where

he and Gladys continue to live.

Sanford farmed, operated a gas station, and sold radios, wind chargers, and appliances during the 1930s and 1940s. The family milked cows, fed hogs, raised chickens, and maintained a garden. Four children were born to Sanford and Gladys in the 1930s and two in the 1940s. Sanford served as Clerk of the District Court in the early 1940s and continued to farm. The family moved to Hays, Kansas, in 1949, but returned to the farm in 1950. In the 1950s Sanford wired houses for maintenance before being elected Sheriff of Gove County in 1956. He served as Sheriff from 1957 to 1961 (sheriffs were limited to two terms until the law was changed in 1964) and 1965 to 1975; he was undersheriff from 1962 to 1964. In 1975 Sanford retired from 22 years of law enforcement work. In retirement he and Gladys traveled to various states visiting friends and relatives, and continued to live on their home place. Sanford's primary avocation has been horseshoe pitching; he has won many trophies. In 1997 he placed second in the over 85 class at the national Senior Olympics in Tucson, Arizona. Sanford has extensive knowledge of family and local history, and he and Gladys edited Mildren Cass Beason's Pioneer Reminiscences in 1986.

Sanford served on the Gove school board, was a member of Gove Lions Club for over twenty-five years, was a lifetime member of the Gove County Historical Society, was active with the Gove Senior Center, and was a member of the Gove United Methodist Church.

Survivors include wife Gladys of the home; two daughters, Julene Wilson of Jetmore, and Dorene Jennings of Denver, CO; four sons, Ronald of Quinter, Ramon of Topeka, Roger of Gove and Leland of Hays; twenty-one grandchildren; thirty-three great-grandchildren; one step great-great-grandchild; two brothers, Edward of Andersonville, MO, and Frank of Gove; and one sister, Ruth Romesberg of Garden City.

Sanford was preceded in death by his parents; stepmother Rosa; brothers Robert and John; sisters Rachel, Annabelle, and Rosemarry LeMaster; and a daughter-in-law, Lana Powers.

Sanford loved people, and had an extraordinary ability to connect with everyone. He will be lovingly remembered.

WIFE'S NOTES:

Gladys was born 26 September, 1913, on her parent's farm west of Quinter, Kansas. She attended a country school and grade school and high school in Quinter. She married Sanford in 1932 and maintained the household and did farm chores. They raised six children, the first born in 1933 and the last in 1946. Gladys served as the secretary for the county welfare office and the consolidated state welfare agency from 1951 to 1976. She retired in 1976 after twenty-five years county and state service. Gladys painted, worked on quilts, did family genealogy, and engaged in many community activities, including club and church work.

119-G

Growing up in Gove County was a great adventure for Dr. Ramon Powers.

His hands, big enough to fit with the anky 6-foot-4-inch body that stretched in front of him, moved quickly as he talked about his young life in western Kansas.

Those listening to Powers couldn't help but go along for the ride, swept away in his memories and mesmerized by his obvious love of history and the land.

Powers, who shies away from the "Dr." title, is more animated than his appearance or the stereotype of his position as executive director of the Kansas State Historical Society would lead you to believe.

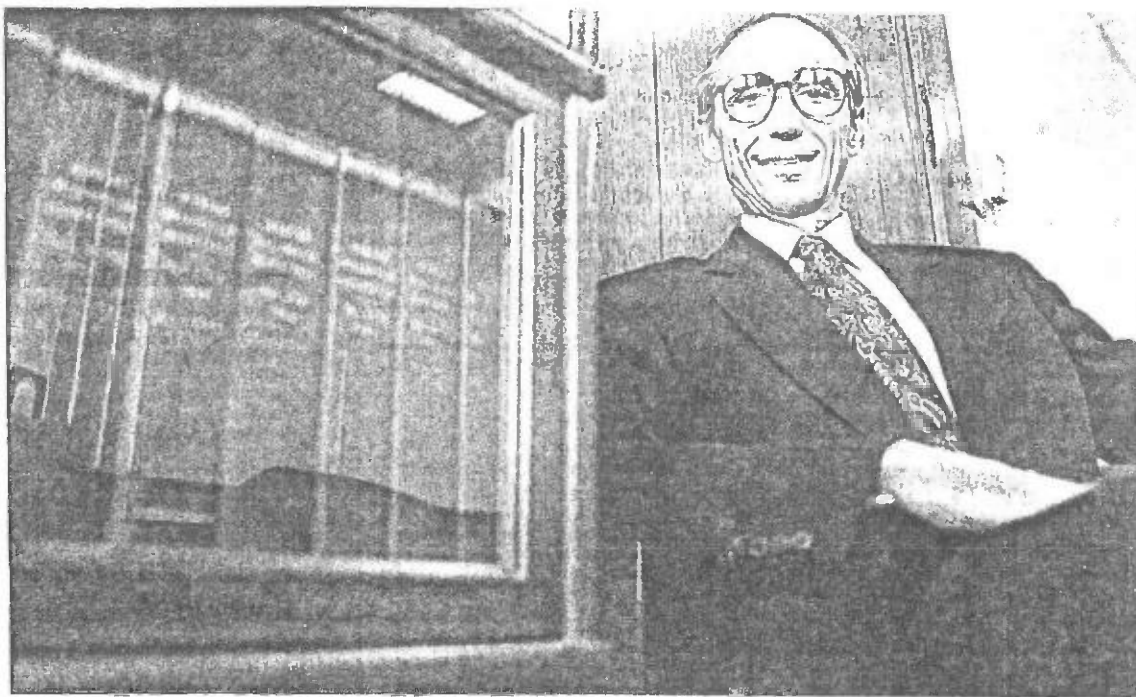

When he talked about his childhood, he recalled the farming, the townspeople, playing basketball and his graduating class of seven from Gove Rural High School. Powers was salutatorian for the class of 1957.

His family has been farming for more than 70 years in Gove County, which has one of the state's smallest populations and sits mostly south of Interstate 70 between Wakeeney and Oakley. His parents still live in the house where Powers was born, and two of his brothers still farm there.

It was his grandfather who prompted Powers' interest in the past by sharing books of short histories of far away places like Portugal and Spain. It was his grandfather who told him about the family's move west.

"At the time I thought, will I ever be as smart as grandfather," said the 55-year-old Powers. "He was truly the one who stimulated my interest in history."

His grandfather, long since dead, surely would be thrilled with where Powers finds himself today. The position he has held since 1988, he said, allows him to use both

—Mike Welchans/The Capital-Journal

his abilities with people and his love of history.

"We must learn about this place called Kansas," Powers said, his voice determined, but with the slightest touch of impatience. "We want to develop a sense of identity. We have an ambivalent attitude about being Kansans."

If most Kansans are ambivalent about who they are, Powers is just the opposite. He is impassioned about it.

"Everyone is a student of history in some respect," he said. "We understand

ourselves and the world around in the perspective of history."

He also is impassioned about improving Kansans' access to historical information.

That access will be improved greatly next month with the opening of the Center for Historical Research on the same grounds as the Kansas Museum of History in northwest Topeka.

But the new facility isn't as large as Powers would like. On Thursday, he made a request for \$2 million to build a third storage bay at the new center.

He told the Legislature's Joint Committee on State Building Construction the third bay is needed to store society materials now that the library and half of the archives have been moved from the old Memorial Building in downtown Topeka to the new center.

The new center cost \$12.6 million and will be open to the public Sept. 18.

Powers and his staff are in the middle of transporting materials from the old facility, at S.W. 10th and Jackson downtown, to the new center. The move includes five miles of books, seven miles of artifacts, 65,000 rolls of microfilm and more than 400,000 photographs, he said.

Going hand in hand with increasing accessibility to its materials, Powers said the society needs to get its name in front of the public.

Powers pointed to the society's logo and said he wants it to be recognizable to people across Kansas.

"Kansas history belongs to the people of the state," he said. "We're a facilitator. We collect, preserve and interpret Kansas history and relate it to our lives today. We view history as a continuum."

The society, and indeed Powers himself, has been criticized for a lack of diversity in historical presentations.

He acknowledges that improvements were needed.

A new committee on cultural diversity was formed this summer, which includes two Asian Americans, two Native Americans, two African Americans and two European Americans. The committee, which is separate from the society's board of 99 members, will meet several times a year and work in an advisory role.

The society's bylaws also were changed recently to ensure more minority representation on the staff and executive committee.

Powers said there is still a long way to go in bringing diversity to the 130-member historical society staff.

Powers doesn't seem to mind adding controversy, but there was a time he thought he would have a career in the wheat, not in front of legislative committees.

When he left his father's and grandfather's farm, Powers intended to go back as a lawyer. It didn't take long for him to realize that wasn't what he was meant to do.

He earned undergraduate and master's degrees in history from Fort Hays State University in 1961 and 1963, respectively.

While at FHSU he met his wife, Eva, who was a foreign exchange student from Mexico. She is now a lawyer with the Topeka firm Morris, Laing, Evans, Brock and Hays. They have two daughters and two granddaughters.

Ramon Powers earned a doctorate from the University of Kansas in 1971. In the late 1960s and early 1970s, Powers taught at KU, the University of Missouri at Kansas City, and Haskell Indian Junior College (now Central Kansas Indian Nations University).

One of the "great shifts" in his life occurred in 1973, when he became a researcher in the Kansas Legislative Research Department. He stayed there until 1988, when he moved to the historical society.

His speciality in the research department was energy and natural resources. Although he still is informed about those issues, he hasn't stayed involved with them.

"When I become involved in something, I become very engaged in it," he said. "I have learned to pull back once I left."

In the future, Powers said he might write a book about — what else — history. He loves tennis, gardening and reading.

He is taping a living history with his father. He already has filled four tapes, and he plans to do only up to 1950.

Powers calls his father a walking encyclopedia of Gove County history. Powers says he tries to go home frequently, but he acknowledges he sees things differently now.

He talked about a long walk he took through his family's land, and the deer he saw.

"You grow up in western Kansas and you're with your environment because it is here all the time," Powers said. "You want to make sure you find myself going back to western Kansas and looking at it in different ways."

Powers combines love of history, state

OBITUARY:

Funeral services for Lloyd Cretcher, 42, who was killed in an automobile accident Friday, October 20, 1939, will be held at 2:30 o'clock Monday afternoon at the Ustick Funeral home. Rev. A. J. Kearns will conduct the service and the B.P.O. Elks will perform their ritual.

Mr. Cretcher was a past exalted ruler of the Elks and completed the chairs last April. He formerly was employed by the English Lumber company in Swink before ill health forced him to give up his position and he has been making his home with his parents.

He died as a result of injuries sustained in an automobile accident a mile east of Manzanola about 7 o'clock Friday night. Howard Warren, head of the federal and state inspection office in Rocky Ford, was returning from Pueblo and saw the Cretcher car swerve on the wrong side of the road and overturn in a barpit on the wrong side of the road on the curve east of the underpass. Warren stopped his car and flagged down other motorists to help him turn the Cretcher car over and pull Mr. Cretcher from the automobile. Cretcher was still breathing when he was pulled from the car, and two Manzanola men brought him to the Physicians hospital. He died before reaching the hospital.

Mrs. Frank Cretcher's Antiques Tell Own History of Rocky Ford Since '95

Mr. and Mrs. Frank J. Cretcher and Mrs. Cretcher's parents. Mr. and Mrs. J. A. Johnson, came to Rocky Ford in July, 1895 from Kansas.

"We bought a block on South Fifth and built our houses," says Mrs. Cretcher, 86. "The west side of the street at that time was a corn field."

"The Larmore Brothers owned the block south of the one we bought. They had a brick kiln and most of the houses were built from bricks from their kiln. Mr. Cretcher built our home at 400 South Fifth, where I live today and have for 65 years. My parents built the house next to ours on the south side."

"There were wooden sidewalks on Main Street and paths cutting across the empty lots and places where there were no walks."

"An artesian well was located on North Main just north of the railroad depot. A long trough was kept full of water beside the well for the horses that came into town."

"J. W. Phenice and Son had a grocery, dry goods and millinery store where the Odd Fellows building now stands," says Mrs. Cretcher.

"The post office was in the building joining on the south. Mr. Salyers was postmaster and his daughter, Mrs. B. G. Wilson, was his assistant. After Mr. Salyers' death, the of-

fice was moved to North Main, where Penney's store is now and remained there until it was moved to the present location."

Florence Smith was the first telephone operator in Rocky Ford, according to Mrs. Cretcher. The telephone office was in a dry goods store, where Hested's is now. It had one booth and one operator. Mrs. Cretcher's father, J. A. Johnson, was city clerk in Rocky Ford for 18 years beginning in 1911.

Frank J. Cretcher established the City Drug Store on the corner of Elm and Main. In 1897 it was known as the Cretcher pharmacy. He sold out to Hereford and Avard and went into the real estate business with Leon Fenlason. After leaving real estate, Cretcher went into the oil business traveling over Oklahoma, Kansas and Colorado.

Before his death in 1944, Cretcher owned a lumber yard in Holly and in Scott City, Kan.

Mrs. Cretcher has many pieces of antique furniture. A fancy stand, or Bible stand as she calls it, is more than 100 years old. Most of her household furniture is nearly 100 years old.

The Cretchers had two children, who are both deceased. Ruth Cretcher Stanley passed away in 1925, and Lloyd Cretcher in 1939.

OBITUARY:

Announcement of the death of Mrs. Perry Robords of Mound Valley, KS, which occurred at the home of her daughter, Mrs. Frank Drew, at Rocky Ford, CO, on Monday January, 27, 1930 by friends in this community last week.

Mrs. Robords possessed much musical ability, both vocal and instrumental. Besides being organist and choir leader of the Raritan Reformed church many years, she contributed unstintingly to the musical part of public entertainments in the village.

To this union were born six children, two of whom, Mary and Alice, died in infancy. They engaged in farming around Raritan until 1886 when they went to Western Kansas (Greeley Co.) and filed upon a government claim. From there the family moved to a farm near Rocky Ford, CO in 1894. From whence they moved to the vicinity of Mound Valley, KS, in 1912 where Mr. Robords died four years ago.

She united with the Dutch Reformed church in Raritan at an early age. She has always been an active church worker wherever she lived, taking an active part in the musical activities of the church and was a member of the M.E. church of Mound Valley at the time of her death.

She leaves to mourn her death one sister, Mrs. W.L. Butler of Topeka, KS; four children: Mrs. Edith Drew, of Rocky Ford, CO; Mrs. Grace Acre of WaKeeney, KS; Mrs. Sara Oakleaf and Elvan Robords of Mound Valley, KS; three grandchildren: Patricia Coleen Oakleaf, Edith Janice Oakleaf and Gretchen Acre, one nephew, John Groendyke Hixson, WaKeeney, KS; and three nieces: Mrs. Ruth Howe, WaKeeney, KS; Mrs. Mattie Cretcher, Rocky Ford, CO; and Mrs. Myrtle Howe of Whittier, CA, besides her many, many friends.

Albert Hamilton Acre was born May 3, 1893 in Martin County, IN, to Joshua Hubbs and Margaret Jane (Winger) Acre.
Albert moved to Wakeeney, KS with his family in 1905, where his parents ran the Trego Hotel. He loved to sing and was a member of a vocal quartet in high school: Leonard Acre, Emerald Shideler, George Kirby and Albert Acre. The group performed at many school functions. He appeared in several plays during high school. He belonged to the Busy Bees (a club in high school), President of Adelpian Society in his Junior year and graduated from TCHS 21 May, 1914. He started to K-State the fall of 1914 and was a member of the Apollo Club "the finest male voices in the college" 1915, 16, 17. They performed at many college events and traveled around the state performing as well. He joined the Acacia Fraternity 1915.

He enlisted in the army in 1917 and was stationed at Fort Sill, OK. He went overseas in the spring of 1918. He was promoted to Sergeant 21 Oct, 1918, at St. Michel, France. He was a member of M Company 137th Infantry of the 35th Division and was in the worst battle of the war: Meusse Argonne. He was discharged as Sergeant 19 May 1919.

He went to work for Sam Straw in the furniture store upon his return.

Albert married Grace Marjory Robords 1 August, 1921 in Mound Valley, KS. They moved into the new "bungalow" that Albert built for his bride and lived there the rest of his life.

He was a Member of the First Presbyterian Church in WaKeeney and served faithfully for many years as elder and clerk of the session. He also sang in the church choir.

He was a member of the Masonic Lodge, Knight's Templar, The Veterans of Foreign Wars, the first Commander of the Moore Post of the American Legion, past president of the Lions Club and very active in the Chamber of Commerce. He represented Trego Co. at the Republican state convention in 1920 and represented the Presbytery of Northwest Kansas at General Assembly in Philadelphia, PA in 1937.

George Niesley and A. H. Acre bought out Grover Hays in 1925. Later Albert bought out George Niesley and owned the furniture store and funeral business himself until 1942 when Lawrence Hendricks became a partner. In 1946 they bought the furniture store and funeral business in Quinter, KS, as well. Albert had suffered with ulcers most of his adult life and had suffered a perforated ulcer in 1947. He was sent to the hospital to rest his ulcer but died two days later from a massive heart attack, August 21, 1949.

Albert "Stix" as everyone knew him was a very out-going, friendly person. He never met a stranger. It is futile to attempt to enumerate his good deeds and wonderful qualities for his life each day was an exemplification of his sterling character.

Funeral services were held at the Presbyterian Church August 24 at 10 a.m. with Rev. Luther W. Kurtz of the Broadway Presbyterian Church of Kansas City in charge assisted by Rev. Merle A. Salsler of the First Presbyterian Church of Medicine Lodge, KS. Burial was in WaKeeney Cemetery.

ROBORDS-ACRE WEDDING

It will be interesting to their many friends in this vicinity to learn that Miss Grace Robords, who has been a teacher in the WaKeeney city schools for the last three years, and Mr. Albert H. Acre, of this city, were united in marriage Monday morning, August 1st, at the home of the bride at Mound Valley in the southeastern part of Kansas. The wedding was a very quiet affair only the family of the bride and Miss Opal Acre, sister of the groom being present. Immediately after the wedding the young people left for this city where they will soon be a home to their friends in an attractive little bungalow which Mr. Acre has had built this summer. While working here as a teacher the bride has made many friends and has proven herself an attractive and capable young lady. Albert, as we all know him, has lived here with his parents for many years. He was among the first of the boys who volunteered for service during the world war and had some thrilling experiences while across the water. Their friends join heartily in extending congratulations and best wishes for a pleasant journey through life.

OBITUARY:

The entrance of death into a house or community brings with it sorrow and mourning and especially when it takes away a worthy life stricken down in the performance of duty or the life of a little child just opening into the beginning of happiness and usefulness. Thus the community of WaKeeney was wrapped in sorrow Tuesday morning when word was received that Gretchen, the little daughter of Mr. and Mrs. Albert H. Acre, had passed away early that morning at St. Anthony hospital at Hays.

Gretchen was born June 4, 1922. She was never very strong and her parents had done all in their power to provide for her the things necessary which would give her strength and health. She was apparently in her usual health until June 1, when she was taken with a complaint which was not easily identified and could have been the beginning of one of a number of diseases. Her heart also grew very weak and on the advice of their physician she was taken to the hospital on Sunday night for further examinations and treatment. Her blood was found to be in a very weakened condition. A transfusion was deemed advisable but life of the little one did not respond and she passed away at about 3 o'clock Tuesday morning the cause of death being splenic anemia. The body was returned to WaKeeney and funeral services were conducted from the Presbyterian Church Wednesday at 3 o'clock by the Rev. H.H. Beers, pastor of the church. His words were very appropriate and comforting to the bereaved. The burial was at the family lot in WaKeeney Cemetery.

The out-of-town relatives who attended the funeral were Mr. Elvan Robords and Mrs. Marcus Oakleaf of Mound Valley, KS; Mrs. Edith Drew, of Rocky Ford, CO; Mr. & Mrs. George R. Miller and children of Ellis and Mr. and Mrs. F.E. Nattier of Concordia, KS.

Gretchen was the only child of Mr. and Mrs. Acre and while they feel their loss greatly they realize that the sympathy of the entire community is extended to them in their deep sorrow.

BILL'S NOTES:

William George Ziegler "Bill" lived at 113 E 13th until 1935 when his family moved to the old Ziegler home - 1273 Van Buren. He attended Van Buren Elementary School, Crane Junior High School and Topeka High School, graduating 1944/45. He worked at Goodyear Tire and Rubber Co. as band builder 1946-1948.

Bill was drafted into the army 1948 and had basic training at Fort Smith, AR and then was sent to El Paso, TX. He joined the inactive reserves in order to get out of the army. He started to work for Ziegler and Son only to be called up by the army during the Korean War. Was sent to Kobe, Japan 1950-51. He returned home 1952 and resumed working for Ziegler and Son. He worked for and owned Ziegler and Son for thirty four years until it was sold in 1986 and Bill retired.

Raymond and Bill inherited 1273 Van Buren from mother, Nellie Sadie Early Ziegler, upon her death in 1952. Raymond and Bill remodeled it into a duplex the summer of 1954. Raymond had just married Fern Cade and Cynthia and Bill were about to be married. They lived there until the tornado destroyed it in 1966 when Bill and Cynthia built the home at 2633 Wisconsin in Topeka. They lived there nearly 30 years until July of 1996 when they bought a townhouse in Thornton, CO and moved to that state.

CYNTHIA'S NOTES:

Cynthia Acre attended WaKeeney Grade School (1/2 block from her home), graduated from Trego County High School May 25, 1949.

During her high school years she was a member of the Honor Society, Band, Glee Club, Latin Club, a member of the Junior Play, and participated in Forensics.

Father, Albert Hamilton Acre, died very unexpectedly August 19, 1949 which interrupted her plans for college. Instead she stayed home with mother for a year to try to help her get adjusted. She had worked at Acre-Hendricks furniture store the summer of 1949 so she continued to work there all the next year.

Cynthia entered the College of Emporia the fall of 1950 and completed her course work in 1953. While at C of E she participated in the Chorale, Modern Language Club, and Currents Events Club. Attended Fort Hays State the summers of 1951 and 1952. Toured Europe the summer of 1953.

She began teaching first grade the fall of 1953 at Avondale School, 29th and Topeka Blvd. Bernie Ault taught third grade there and invited Cynthia to her house one evening to show her slides of Europe and meet her step-brother, Bill. In spite of rude comments about the slides from Bill, they started dating and were engaged the next February.

The following December 4, Bill and Cynthia were married in

WaKeeney.

After finishing out the school year in which they were married, Cynthia traveled with Bill until November 1955. When Mark was about two she started traveling with Bill again until Mark was four.

During the spring semester of 1974, Cynthia returned to college, this time to Emporia State College and enrolled in library science, receiving her master's degree in library science in 1977. She started as librarian at Lafayette School the fall of 1974 and was librarian there for twenty two years, retiring May 1996. On July 5, 1996 Bill and Cynthia moved to Thornton, CO.

She was also a member of Kansas NEA, Delta Kappa Gamma, Topeka Genealogical Society, and Martin Co., IN, Genealogical Society. Acre-Ziegler Marriage

Mrs. Albert Acre announces the marriage of her daughter, Cynthia, to Mr. William George Ziegler, son of Mr. and Mrs. George W. Ziegler, of Topeka. The Rev. John M. Kellison officiated at the double-ring ceremony in the First Presbyterian Church in WeKeeney on December 4, 1954, at 2 p. m.

White poinsettias and white candles set in holly, formed the background for the wedding party. Miss Lois Lee Myerly, church organist, played classical selections of Lehrengrin and Mendelssohn wedding marches. She accompanied Miss Wilma Brandenburg of Oakley who sang "I Love Thee," Grieg; "Thine Alone," Herbert; and "My Heart At Thy Sweet Voice," Saint Saens.

The bride, given in marriage by her cousin, Mr. Joseph Acre, wore a floor-length gown of bridal pink chantilly lace over satin. The shirred bodice was fashioned with a sheer drop-shoulder neckline, long pointed sleeves, and a full gathered skirt

worn over hoops. Her full circular finger-tip veil fell from a hand-blocked cap of imported illusion, bound with satin and edged with pearls. She carried a cascade of red roses. Her only jewelry was a single strand of pearls, a gift of the groom.

Her attendants were: matron of honor, Mrs. Virgil W. Ault, sister of the groom; bridesmaid, Mrs. Rodger Blanchard, Kansas City; candlelighters, Miss Ruth Keraus, Belle Plains and Miss Lorelli Hogue, Haviland. The attendants wore floor length gowns of Christmas red crystalene over taffeta and carried cascading bouquets of pink roses and silver Christmas balls. Candlelighters wore waltz length pink crystalene dresses fashioned like the others with burgundy red wrist corsages and matching flowers on their candles.

Best man was Raymond L. Ziegler, brother of the groom. Ushers were Virgil W. Ault of Topeka and Ray Hurt of Ellis.

Mrs. Acre chose a navy lace dress with pink accessories for her daughter's wedding. Her corsage was pink roses.

Mrs. Ziegler was dressed in pink lace with matching accessories and her corsage was tallisman roses.

A reception was held in the church parlors following the wedding. A color scheme of pink, red and white was used. Two centerpieces of holly and white flower tapers were on the tables. Mrs. Lee Hinshaw was in charge of the reception and her assistants were: Misses Anna Marie Mall, Peg Gibson and Connie Maag. Mrs. Ray Hurt was at the guest book and Mrs. Bill Marsh played piano music.

Mrs. Ziegler chose an avacado green suit with satinwood accessories and a corsage of red roses for traveling. After a brief honeymoon the couple are at home at 1273 Van Buren, Topeka.

The bride is a graduate of Trego Community High School and College of Emporia. She is teaching first grade at the East Avendale school in Topeka. The groom is a graduate of Topeka High School and has served with the U. S. Army in Japan for two years. He is now associated with his father in business.

Miss Cynthia Acre, first grade teacher at Avondale school, is the fiancee of Mr. William G. Ziegler and Mrs. Ziegler. She is planning her wedding for the Christmas season.

OBITUARY:

Josiah Brokaw, son of the late Major Brokaw, of Fairview, Fulton County, IL, was born near west Somerset County, NJ, April 25, 1829, and was married in 1850 to Miss Mary Ann Groendyke, by which union resulted seven children: Georgiana, wife of J.T. Owens, of Mercer County, IL, Gertrude D., wife of Vincent M. Cox; Ida, wife of George Stephens, Frederick V. L., Edmond E. (deceased), Garrett A., and Charles N. Mr. Brokaw was one of the first pioneer settlers of Bedford precinct. He came into the neighborhood about the year 1831, and purchased a large tract of land at which time there were but a few houses in the neighborhood within sight of his dwelling. The whole country around was one vast prairie. It was only a few years after this that the tide of emigration set in, when many others followed, and began the erection of dwellings, fences, etc. At an early day the settlement went by the name of the Brokaw settlement, until the progressive enlargement of its domain, to the growing spirit of the times. Then came the familiar Simonsons, Voorheeses and Neviuses, with many other families and households, who soon made the prairie smile and bring forth the fruits of industry. Through all the signs of eventful growth, Mr. Brokaw, though young in years, was regarded as the father of the settlement. Every newcomer received more or less of his help and guidance, and always a welcome at his house. The string of the cabin latch was always hanging at the door in sight of all. Happy days were these, though days of toil and anxiety. In the development of the prosperity of the settlement, Mr. Brokaw lent his aid in securing religious services on the Sabbath. The first sermon was preached at his house, and after the establishment of the Reformed Church he became a member. From that time to the time of his death in August, 1879, he had by his liberality and example done much toward promoting its prosperity. Before his death he had been chosen a member of the consistory, and was to have been ordained to the office of deacon the day of his burial. His remains repose in the cemetery of Raritan, where a monument appropriate to his past worth and usefulness has been erected.

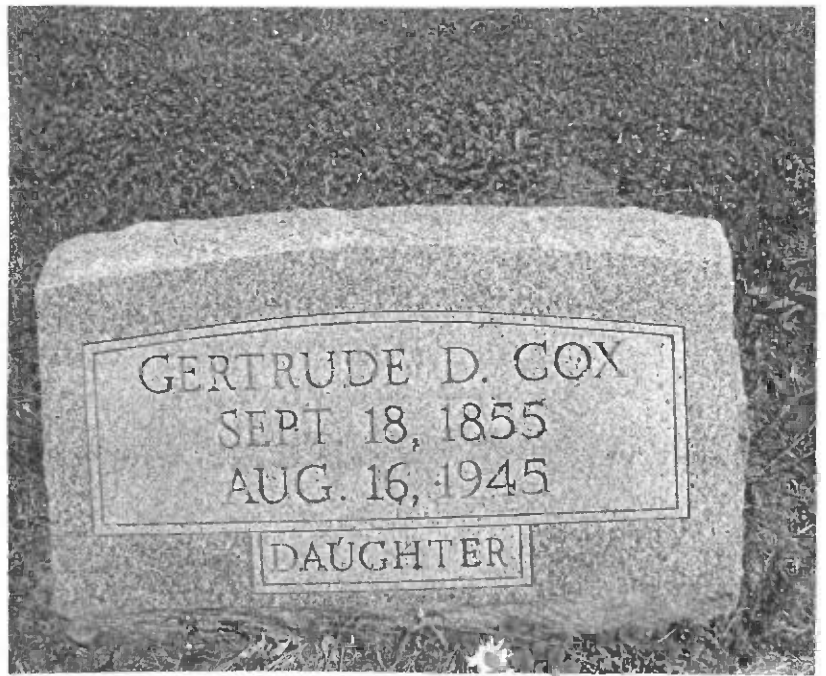

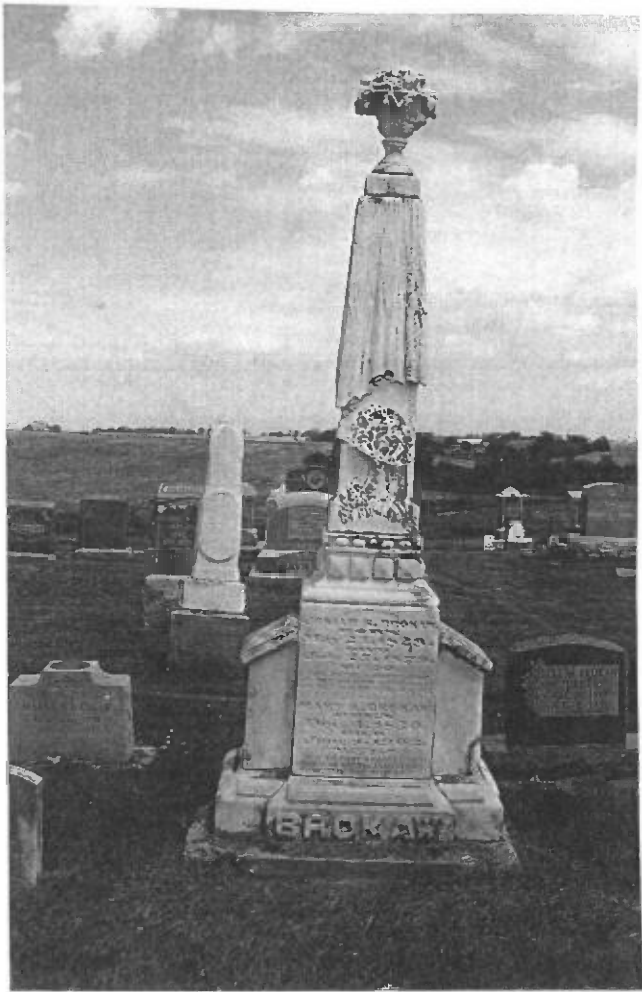

On the tombstone: Gone to the harvest above
On the flash of the lightning ray
More swift than the wings of a dove.

OBITUARY:

Mary Ann Groendyke was born at North Branch, Somerset County, NJ, December 4, 1830, and died at her home in Monmouth, IL, Tuesday, May 2, 1903, aged 72, 5 months and 28 days. On April 11, 1850, she was united in marriage near Fairview, Fulton Co., IL, to Josiah Brokaw: to this union seven children were born, 5 of whom are living, namely: Mrs. Gertie Cox of Chicago, Mrs. May Stevens of Aurora, Il, Gus A. of Storm Lake, IA, Charles of St. Paul MN, and Fred of this vicinity, all of whom were present at the interment, which was made in the Raritan Cemetery. In the early fifties, Mr. and Mrs. Brokaw removed from Fulton County to a farm on North Prairie near LaHarpe. From there they came to this neighborhood and settled on and improved the old homestead, 1 3/4 miles west of Raritan where Fred now lives. In August, 1879, Mr. Brokaw was killed by lightning which struck a stack of oats he had just finished putting up. Mrs. Brokaw had resided in Monmouth since 1883. Prior to going there she was a member of the Raritan Reformed Church, but at the time of her death she held membership in the Second United Presbyterian Church of Monmouth.

OBITUARY:

Frederick VanLieu Brokaw, the fourth of seven children born to Josiah and Mary Ann Groendyke Brokaw, was born near Raritan, Henderson County, IL, November 15, 1862.

Here he spent the first twenty-one years of his life, and learned farming and stock raising in a practical way with his father on their homestead 1¾ miles west of Raritan. He received his education in the public schools near his home.

In 1884 he moved to Nebraska and bought a farm 2 ½ miles east of Seward. In 1886 he rented his farm and went to California for a year. He located in eastern Colorado in 1889 and was employed by the Baltimore Fish and Oyster Company for two years.

On March 1891 he was united in marriage to N. Eda Williamson at the home of her uncle, E. Atwater, at Beaver Crossing, Nebraska. They lived on his farm near Seward for seven years. To this union were born Marta Brokaw of Washington, D.C., Ella Marie Blanchard of Columbus, Georgia, and George Edwin Brokaw, who resides on the old homestead west of Raritan.

In 1899, at the urgent request of his mother and brothers, Mr. Brokaw returned to the old Brokaw homestead near Raritan, which he purchased in 1903. Here he successfully brought back a run down farm to a high state of productivity, as only a real rancher can do. He loved the soil, was very fond of good horses, and specialized in full-bred Percherons, fed and shipped cattle and horses for over 30 years. He was public spirited and gave of his means liberally to any cause he deemed worthy and was always interested in progress. For several years he was a director of the local bank.

He is survived by his wife, daughters, Mara and Ella Marie, son George, six grand children, Mildred, Lois, Daryl, Lillian and John Brokaw and Eleanor Blanchard, two brothers, G. A. Brokaw of Monmouth, and Charles N. Brokaw of St. Paul Minnesota, a sister Gertrude Cox of Chicago, nieces, nephews and many friends.

Mr. Brokaw had been in failing health for some time and was taken to the local hospital three weeks ago for testing. Quinsy developed Saturday evening, but his condition was not considered critical until early Sunday morning and he passed away in a short time.

Funeral services were conducted at the home Tuesday afternoon with Rev. W. H. Cross of Ottumwa, IA, in charge. He chose as his text "A good name is better than precious ointment" and spoke feelingly of conversations he had had with the deceased relative to eternity. He closed with Tennyson's "Crossing the Bar".

Accompanied at the piano by Mrs. Cornel Schenck, Mrs. Jennie Melvin and Miss Carol Flood sang "Sweet Hour of Prayer" and "Sometime We'll Understand".

Burial was on the family lot in the Raitan cemetery, the pallbearers being L. A. Worthington, Paul VanArsdale, Dean Cortelyou, Harold Neff, Waldo M. Erickson and Albert Nolen.

Relatives from a distance who attended the services were the daughters, Miss Marta Brokaw of Washington D. C., Mrs. David Blanchard of Columbus, GA; Mrs. Gertrude Brokaw Cox of Chicago and Mr. and Mrs. Charles Brokaw of St. Paul, Minnesota.

The spacious home was crowded to capacity with friends from this and neighboring vicinities, who wished to pay their last respects to the deceased and express their sympathy for the bereaved family.

OBITUARY:

David Nevius Groendyke, a highly esteemed citizen and resident of this borough for thirty-three years, passed away yesterday afternoon at his late home, 91 Mercer Ave., Plainfield, NJ, following a short illness. Mr. Groendyke was born in northern New Jersey, August 7, 1834. His family removed to Illinois during his infancy and his early life was spent in the west. In October, 1857, he was married to Miss Jennie Hegeman, of Hunterdon County, who together with two daughters, Mrs. John Gray Foster and Mrs D. M. Van Vliet, of Washington Ave., survive him.

A friend furnishes us with the following particulars regarding Mr. Groendyke's career in Illinois:

"On coming to Illinois Mr. Groendyke's parents located at Canton, where he grew to manhood and was engaged in business for a while with D.N. Simonson, now of Bushnell. When the New Jersey settlement was begun in what is now known as Raritan Township, in the early fifties, Mr. Groendyke was one of the first to engage in the mercantile business in the present town of Raritan, erecting a building on the corner now occupied by Perrine & Sons' store, in which he conducted a general store for a few years, residing with his wife and the John S. Nevius family in a small house which is now used as a granary on the farm where A. A. Worthington resides, three miles northwest of town.

He disposed of his business interest to the late William Tharp, who replaced the store building with a commodious one in which he carried on business until the time of his death in November 1885, which was the leading trading center of Henderson County.

The deceased was a brother of the late Mrs. Josiah Brokaw, a half brother of John Groendyke, and a cousin of the Simonsons and Neviuses all pioneer residents of that community.

John Grunendike 1779 NJ-1861NY

216-G

HUSBAND'S NOTES:

John Grunendike was born 19 Feb 1779, in Kingwood, Hunterdon Co., NJ, son of Abraham and Hannah (Coleman) Groendyke.

In 1788 the family moved to South Brunswick, Middlesex Co., NJ. John was married 4 Feb 1800, to Elizabeth Anderson, who was born 7 Sep 1777.

John Grunendike served a short time in the War of 1812 and was present at the burning of Buffalo. His wife, Elizabeth, died about 1840 and he spent the remainder of his long life with his youngest son Reuben and his wife, to whom and to whose children he was devotedly attached.

Reuben's three sons, Frederick, Edward and Frank were his only grandchildren who carried his name. When Reuben and his family decided to move to Chicago in March, 1861 he would have accompanied them if his other children had been willing.

He was in his usual health when they left but he only lived six weeks. He died at the home of his oldest son, Samuel in Chili, Monroe Co., NY, April 30, 1861 aged 82 years.

He was six feet in height of good proportion and carried himself perfectly erect. A liberal man of independent thought, original ideas, a pleasant companion, fond of company, especially fond of children - a man of the strictest integrity, a member of the Methodist Church and a consistent Christian gentleman. He was one of the founders and for many years a trustee of Lima Wesleyan Seminary, Livingston Co., NY, in which his children, grandchildren and many nephews and nieces were educated. He was fond of animals, especially of a good horse. He always drove a lively horse - driving his own horse when his children considered it unsafe, but he never had an accident.

He was a good singer, always looking on the bright side and singing the cheerful Methodist hymns. He was fond of reading, especially the history of the United States, and biographies of the foundation of the Methodist Church. He left his books to Frederick, Edward and Frank Grunendike and had his daughter-in-law, Mary Ann Grunendike write their names in them.

OBITUARY:

218-G

Reuben Grunendike attended the Genessee Welelan Seminary at Lime, Livingston Co., NY. He was fond of study and particularly fond of religious argument in which few equaled him, always closing with the best of feeling for his opponent.

He was sociable, of genial disposition, full of humor, very fond of children and of animals. A few years after his marriage he sold his own and his wife's land in Chili and with his brother-in-law, Charles Howell, moved to LeRoy, Genessee Co., NY.

They engaged in the manufacture of flour, selling exclusively to the commission house of Dons and Carey, New York City, and to the Hudson River Steamboats under the firm name of Howell and Grunendike. Their flour was known as the Genessee Valley Flour.

They purchased property consisting of an old distillery and stone quarry one mile east of LeRoy and a dry goods store and residence in the village. The store was sold out, the residence on Brockport street moved to the mill site for a home for the miller, Edwin Pierson of Chili, and the distillery remodeled and added to, making it into a large flouring mill with first class water power - Allen's Creek of Calka - as the indians called it. The log for the water wheel of this mill was brought by several yoke of oxen from Catterangon Co. and was one of the largest ever brought from there. In the financial crisis of 1856/7, with a large quantity of Michigan and Canada wheat on hand unpaid for through the failure of their consignees in NY and their dishonesty, they were unable to meet their obligations and lost everything.

Although his wife might have been made a preferred creditor, she gave up everything and the creditors were fully paid. The family then moved back to Chili for a year, and from there to Rochester, where they engaged in a lawsuit with Edmund Howell, oldest brother of Mary Ann Grunendike, and one of the executors of her father Josiah Howell's estate for the settlement of the personal property of that estate which had never been accounted for to some of the heirs.

Edmund Howell paid the amount coming to her and they decided to try life anew in the west. They came to Chicago in March, 1861. An unsuccessful speculation, the breaking out of the Civil War and loss caused by the depression in value of State Bank money, caused their removal in August 1861 to Salem, IL to the home of his cousins, Samuel Grunendike and John Brokaw. Through the influence of the latter who was enlisting, he joined the 49th Illinois Regiment of Volunteers, Company A. He took part in the battles of Ft. Henry and Ft. Donelson in which John Brokaw was killed, and was wounded in the side by a shell in the battle of Shiloh.

He spent several months in hospitals in Cincinnati, OH, Jefferson Barracks, St. Louis and Rock Island, IL, all the time trying to obtain his discharge from the service, and only received it at last one month before his three year term of service expired.

The family, through the influence of friends, William, Henry and John Hinckley, moved to Litchfield, IL, in the spring of 1866 where they kept boarders.

Reuben Grunendike was for a long time in very poor health. On his partial recovery of strength from chronic rheumatism and the effects of his wound, he obtained the contract for carrying the mail and received a pension.

After the death of his wife in 1881 and the settlement of his children in other places he went to Kansas, near Richfield, Morton Co., where he remained a few years with his oldest daughter Eliza E. Reynolds and took a claim for 160 acre of land. His health failing, he returned to his youngest son, Frank's home in Decatur, Macon Co., IL in which town he died September 9, 1891, aged 73.

OBITUARY:

Mary Ann Howell, wife of Reuben A. Grunendike, was born in the Village of Sugar Loaf, Orange Co., NY, July 27, 1814. Her father, Josiah Howell, was of English descent, a very successful farmer and business man, who died suddenly of heart disease August 28, 1847, at Chili, Monroe Co., NY.

His wife was Mary Ann Biggar. She was of Scotch descent, born in Orange Co., NY, died in Chili, Monroe Co., NY, Nov. 1844.

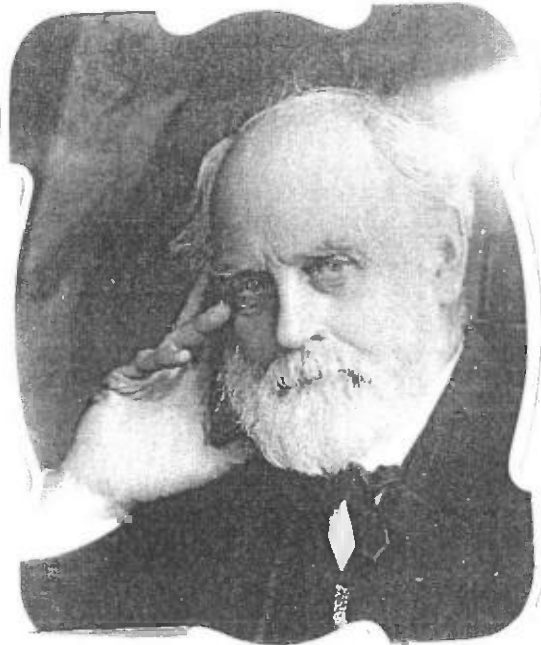

Josiah moved to Chili, in 1830. There were eight children: Edmund, Harriett, Mary Ann, Jane, Charles, Amelia and John.

Mary Ann Howell Grunendike was a most devoted wife and mother, a woman of unusually frugal and industrious habits who attended strictly to her own affairs and of a naturally diffident and retiring

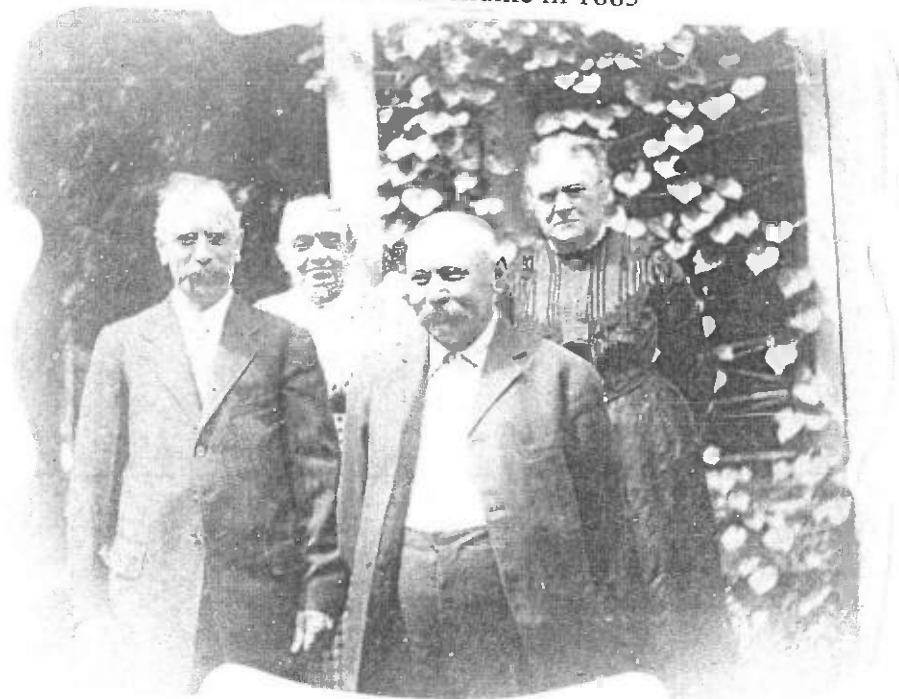

disposition.

It was permitted to but a few to know her intimately enough to thoroughly appreciate her worth, which to her family was priceless. Although she left her many relatives and friends to come west to make a new home among strangers, she was never known to complain.

Of a singularly even and happy disposition her memory is one that her children delight in and can never sufficiently honor. She died in Litchfield, IL, August 9, 1881, aged 67 years.
